ALPINE PARK

CANADA

WELCOME TO THE ALPINE PARK TREE PROGRAM

PRAIRIE

MOUNTAIN

URBAN

SHRUBS

Please review the following Tree Program options. We have defined available tree selections based on lot size. Regular Size lots are typically laned homes with a smaller front yard and Larger Lots have more room for a bigger tree. Information on the tree height and spread is available by each tree description.

If your preference is to have shrubs planted in lieu of a tree – there are additional choices available. Three (3) shrubs would equal one (1) tree selection.

Please note that all trees and shrubs must be planted in the **front yard**.

Once you make your selection – our Landscaping Consultant will contact you directly to make arrangements to plant your tree.

TREE PROGRAM

PRAIRIE THEME, REGULAR LOT

Select **two** trees. All items are subject to availability. *Same selections permitted.*

Mountain Pine PINUS UNCINATA

Height **4m** | Spread **2m**

Upright pyramidal growth, dark green needles year round.

Full to partial shade + Dry to average soil

Japanese Tree Lilac SYRINGA RETICULATA 'IVORY SILK'

Height **5m** | Spread **3m**

Upright growth, fragrant creamy-white flowers and attractive steel-grey bark. Deer resistant.

Full sun + Well-drained soil

Columnar Blue Spruce PICEA PUNGENS 'FAST GIATA'

Height **6m** | Spread **1.5m**

Narrow upright growth, attractive bright blue needles year round.

Full sun + Dry to average soil

Mary Liss Pincherry PRUNUS PENNSYLVANICA

Height **5m** | Spread **3m**

Oval form, clusters of white flowers in spring followed by sour red cherries in summer.

Full sun + Average to moist soil

TREE PROGRAM

PRAIRIE THEME, LARGE LOT

Select **two** trees. All items are subject to availability.

Patmore Elm ULMUS AMERICANA 'PATMORE'

Height **15m** | Spread **10m**

Vase shaped, open canopy tree. Large serrated leaves turn outstanding gold colour in fall.

Full sun + Dry to moist soil

Nobility White Ash FRAXINUS AMERICANA 'NOBILITY'

Height **15m** | Spread **9m**

Oval form, a neat and tidy tree with distinctive purple colour in fall. Very hardy.

Full sun + Average to moist soil

Hot Wings Maple ACER TATARICUM 'GARANN'

Height **8m** | Spread **6m**

Smaller accent tree that features blazing red hot seeds in late summer and fiery fall colours.

**Full sun to partial shade
+ Dry to moist soil**

Ohio Buckeye AESCULUS GLABRA

Height **8m** | Spread **6m**

Round form, nice yellow flowers, good fall colour and interesting fan-shaped leaves.

**Full sun to full shade
+ Average to moist soil**

Siberian Larch LARIX SIBIRICA

Height **6m** | Spread **3m**

Coniferous tree with deciduous needles. Lush green needles that turn bright yellow in fall.

**Full to partial shade
+ Dry to average soil**

Lodgepole Pine PINUS CONTORTA 'LAT FOLIA'

Height **12m** | Spread **3m**

Tall narrow form with open, loose branching habit. Dark green needle clusters year round.

Full sun + Dry to average soil

Colorado Spruce PICEA PUNGENS

Height **20m** | Spread **5m**

Pyramidal form, long, pointy needles in colours ranging from bright green to silver blue.

Full sun + Dry to moist soil

Suggested Combinations

PLANTING COMBINATION #1

Nobility White Ash
Siberian Larch

PLANTING COMBINATION #2

Hot Wings Maple
Colorado Spruce

PLANTING COMBINATION #3

Ohio Buckeye
Lodgepole Pine

TREE PROGRAM

MOUNTAIN THEME, REGULAR LOT

Select **two** trees. All items are subject to availability. *Same selections permitted.*

Colorado Spruce

TREE PROGRAM

SHRUB COMBINATIONS

Choose **one** of four shrub combinations. All items are subject to availability.

Planting Combination #1

PRAIRIE

Pink Beauty Potentilla
POTENTILLA FRUTICOSA
'PINK BEAUTY'

Height **1m** | Spread **1m**

Dusty green leaves with pink flowers.

Full sun to partial shade + Dry to moist soil

Amber Jubilee Ninebark
PHYSOCARPUS OPULIFOLIUS
'JEFAM'

Height **2m** | Spread **1.5m**

Yellow-red leaves with white flowers.

Full sun to partial shade + Dry to moist soil

Andorra Juniper
JUNIPERUS HORIZONTALIS
'PLUMOSA COMPACTA'

Height **0.3m** | Spread **2m**

Blue-green foliage turns plum purple.

Full sun to partial shade + Dry to moist soil

Planting Combination #2

MOUNTAIN

Prickly Wild Rose
ROSA ACICULARIS

Height **1m** | Spread **1m**

Green leaves with pink flowers.

Full sun + Average to moist soil

Little Rebel Dogwood
CORNUS ALBA 'JEFREB'

Height **1.25m** | Spread **1.25m**

Bright red bark year round.

Full sun to partial shade + Dry to moist soil

Slowmound Mugo Pine
PINUS MUGO 'SLOWMOUND'

Height **0.75m** | Spread **1.25m**

Dark green needles.

Full sun + Dry to average soil

ALPINE PARK

Choose **one** of four shrub combinations. All items are subject to availability.

Planting Combination #3

URBAN

Goldmound Spirea
SPIRAEA JAPONICA
'GOLDMOUND'

Height **0.75m** | Spread **1m**

Light gold foliage turns red in fall.

Full sun + Average to moist soil

Annabelle Hydrangea
HYDRANGEA ARBORESCENS
'ANNABELLE'

Height **1m** | Spread **1m**

Large ball-shaped white flowers.

Full sun to full shade + Average to moist soil

Scandia Juniper
JUNIPERUS SABINA 'SKANDIA'

Height **0.3m** | Spread **1.5m**

Dusty green feathery foliage.

Full sun + Dry to moist soil

Planting Combination #4

URBAN

Froebelii Spirea
SPIRAEA X BUMALDA
'FROEBELII'

Height **1m** | Spread **1m**

Blue-green leaves with pink flowers.

Full sun + Average to moist soil

Charisma Lilac
SYRINGA X PRESTONIAE
'CHARISMA'

Height **1.25m** | Spread **1m**

Fragrant purple flowers.

Full sun + Dry to moist soil

Blue Tam Juniper
JUNIPERUS SABINA
'TAMARISCIFOLIA'

Height **0.6m** | Spread **2m**

Blue-grey foliage, small blue berries.

Full sun + Dry to average soil

TREE PROGRAM

SUGGESTED PERENNIALS

The following list of perennials and ornamental grasses would compliment the trees and shrubs selected for your home landscape.

This is a list of suggested plant material only and are not included in your landscape package.

Bunchberry
CORNUS CANADENSIS

Height **10cm** Spread **30cm**

Full sun to full shade
+ **Moist well-drained soil**

Cranesbill
GERANIUM

Height **varies** Spread **varies**

Full sun to partial shade
+ **Dry to moist soil**

Phlox
PHLOX

Height **varies** Spread **varies**

Full sun to partial shade
+ **Dry to average soil**

Creeping Thyme
THYMUS

Height **varies** Spread **varies**

Full sun
+ **Dry to average soil**

Daylily
HEMEROCALLIS

Height **varies** Spread **varies**

Full sun to partial shade
+ **Dry to moist soil**

Alpine Aster
ASTER ALPINUS

Height **varies** Spread **varies**

Full sun to partial shade
+ **Dry to average soil**

Hosta
HOSTA

Height **varies** Spread **varies**

Full sun to partial shade
+ **Average to moist soil**

Karl Foerster Grass
CALAMAGROSTIS
X ACUTI FLORA

Height **1.5m** Spread **80cm**

Full sun to partial shade
+ **Dry to moist soil**

Elijah Blue Fescue
FESTUCA GLAUCA
'ELIJAH BLUE'

Height **30cm** Spread **30cm**

Full sun to partial shade
+ **Dry to average soil**

Heavy Metal Switch Grass
PANICUM VIRGATUM

Height **1.2m** Spread **90cm**

Full sun to partial shade
+ **Dry to moist soil**

Blue Lyme Grass
LEYMUS ARENARIUS
'BLUE DUNE'

Height **60cm** Spread **60cm**

Full sun to partial shade
+ **Dry to moist soil**

Blue Oat Grass
HELICTOTRICHON
SEMPERVIRENS

Height **90cm** Spread **90cm**

Full sun
+ **Dry to average soil**

Ribbon Grass
PHALARIS
ARUNDINACEA 'PICTA'

Height **80cm** Spread **90cm**

Full sun to partial shade
+ **Dry to moist soil**
